Unify your Security Solution
You asked, we listened. Tailored especially for you, Legend is our **fully NDAA compliant brand**. It offers our latest technologies in a robust build with edge storage capacity. Legend by Inaxsys provides H.265+ compression and easy installation.

Smart H.265+ & H.264+
LEGEND smart encoding technology provides high-quality video with higher efficiency and also reduces the cost of storage space and transmission bandwidth by adopting an advanced algorithm of auto stream control.

ChromaView Technology
This technology helps you capture clear color images in practically any low light environment. Using a F1.0 aperture lens paired with our 1/2.9'' high-performance sensor, ChromaView technology provides a great balance between noise reduction and blurry moving objects.
